

JABBY ALICANTE

WEB DEVELOPER INTERN

CONTACTS

Email: alicantejabbylumenso@gmail.com

No: 09451672454

SUMMARY

Aspiring Web Developer with a focus on creating UX and UI designs and building user-friendly, responsive, and efficient web applications. Experienced in database management, API development, and Single Page Applications (SPA), with an experience in both frontend and backend development. Eager to learn and explore new technologies to continue growing and improving as a developer.

SKILLS

- Programming: JavaScript, Python, C++
- Frontend: Vanilla JS, HTML, CSS, Single Page Application (SPA)
- Backend: Node.js, REST API
- Database: MySQL
- UI Editing: Figma
- Photo/Logo Editing: Canva, GIMP

RELEVANT EXPERIENCE

Khloris FlowerShop E-commerce Aug 2024 - November 2024

College Project | PHP, MySQL, HTML, CSS

- Designed and developed the UX and UI for a responsive flower shop website
- Focused on creating an intuitive user experience and a visually appealing interface
- Utilized Git for version control, collaborated with team members, and maintained an organized codebase

The Wall - Social Media Platform Sept 2024 - November 2024

College Project | MySQL, HTML, CSS, JavaScript, Node.js, API development

- Led the team by assigning tasks and guiding development efforts
- Organized the database using MySQL and applied normalization for efficiency
- Developed a REST API to handle notifications and improve real-time updates
- Developed and connected the backend with the frontend for seamless integration
- Built a responsive Single Page Application (SPA) using JavaScript and Node.js
- Improved frontend performance and state management to enhance user experience
- Enhanced the frontend using the Vanilla JS framework for better responsiveness and scalability

EDUCATION

Bachelor of Science in Computer Science 2020 - present

College of Mary Immaculate, Poblacion, Pandi Bulacan

CERTIFICATION

Certificate of Participation – Computer Science Day

- Participated in **Computer Science Day 2025** with the theme "*Harnessing the Power of A.I. for Progress and Development*" at **College of Mary Immaculate**, Poblacion, Pandi, Bulacan

PROFESSIONAL REFERENCE

Joseph Bernard B. Reyes - Computer Science Department Head in CMI
